PROFESSIONAL SUMMARY

Motivated 3rd-year B.Tech Information Technology student (Graduating 2027) specializing in MERN stack development. Experienced in building real-time web applications with session-based authentication and RESTful APIs. Strong understanding of OOP concepts, backend architecture, and Git workflows. Seeking a Full Stack Developer Internship to apply and enhance scalable application development skills.

TECHNICAL SKILLS

Programming Languages: Java, Python, JavaScript

Frontend: React.js, HTML, CSS

Backend: Node.js, Express.js

Database: MongoDB

Authentication: Session-based authentication

Tools & Platforms: Git, GitHub, VS Code, Jupyter Notebook

Core Concepts: OOP, REST APIs, Basic DSA

Problem Solving: CodeChef (Active Participant)

PROJECTS

Chat Application (MERN Stack)

- Developed a real-time chat application using MongoDB, Express.js, React.js, and Node.js.
- Implemented session-based authentication and secure CRUD operations.
- Integrated real-time messaging functionality.
- Led a team of 4 members and managed Git workflow for collaborative development.
- Designed and structured backend architecture for scalability and maintainability.

Portfolio Website (React.js)

- Built a responsive personal portfolio using React.js.
- Implemented modern UI animations for enhanced user experience.
- Showcased projects and technical skills in a clean, structured layout.
- Designed with mobile-first responsive principles.

Blog REST API

- Developed a Blog REST API using Node.js, Express.js, and MongoDB.
 - Implemented secure authentication and CRUD functionality for blog management.
 - Structured RESTful routes following industry standards.
-

EDUCATION

B.Tech in Information Technology

Shri Ram Murti Smarak College of Engineering and Technology, Bareilly

Expected Graduation: 2027

ACHIEVEMENTS / POSITIONS OF RESPONSIBILITY

- Team Lead for MERN-based Chat Application project (4-member team).
- Managed version control and collaboration using Git workflow.
- Active problem solver on CodeChef platform.
